

# UNIVERSITY OF WAH

## WAH ENGINEERING COLLEGE

### Survey of Graduating Students

(To be filled out by graduating students in last semester before the award of degree)

The survey seeks graduating students' input on the quality of education they received and the level of preparation they had at Wah Engineering College (WEC). The purpose of this survey is to assess the quality of academic program. We seek your help in completing this survey.

A: Very satisfied      B: Satisfied      C: Uncertain      D: Dissatisfied      E: Very dissatisfied

1.      The objectives of the program have been fully achieved.  
                    A                      B                      C                      D                      E
2.      The contents of curriculum were appropriate and met the program objectives.  
                    A                      B                      C                      D                      E
3.      The work load was sufficient and evenly distributed among the four academic years.  
                    A                      B                      C                      D                      E
4.      The program was effective in enhancing team-working abilities.  
                    A                      B                      C                      D                      E
5.      The program was effective in developing analytical and problem solving skills.  
                    A                      B                      C                      D                      E
6.      The program was effective in developing independent thinking.  
                    A                      B                      C                      D                      E
7.      The program was effective in developing planning abilities.  
                    A                      B                      C                      D                      E
8.      Faculty was able to meet the program objectives and effectively transfer the knowledge.  
                    A                      B                      C                      D                      E
9.      The program administration was effective in supporting learning.  
                    A                      B                      C                      D                      E
10.     Environment was conducive for learning.  
                    A                      B                      C                      D                      E

11. The lab facilities of the department were adequate and functional
- A                      B                      C                      D                      E
12. The infrastructure of the department was adequate.
- A                      B                      C                      D                      E
13. The program was comprised of co-curricular and extra-curricular activities.
- A                      B                      C                      D                      E
14. Need based scholarships/grants were available to students.
- A                      B                      C                      D                      E

**Answer question 15 if applicable.**

15. The internship experience was effective in enhancing
- |    |                                  |     |     |     |     |     |
|----|----------------------------------|-----|-----|-----|-----|-----|
| a. | Ability to work in teams         | (A) | (B) | (C) | (D) | (E) |
| b. | Independent thinking             | (A) | (B) | (C) | (D) | (E) |
| c. | Appreciation of ethical values   | (A) | (B) | (C) | (D) | (E) |
| d. | Professional development         | (A) | (B) | (C) | (D) | (E) |
| e. | Time management skills           | (A) | (B) | (C) | (D) | (E) |
| f. | Judgment                         | (A) | (B) | (C) | (D) | (E) |
| g. | Discipline                       | (A) | (B) | (C) | (D) | (E) |
| h. | Link between theory and Practice | (A) | (B) | (C) | (D) | (E) |

16. What were the best aspects of your program?
